

DEATHS

MISS DOROTHY KATHRYN RENICK—At the close of the beautiful day of May 10, 1912, as the golden sun was setting the angelic spirit of dear Dorothy took its flight at her home in Grand Pass.

Miss Dorothy Kathryn Renick was born in Carroll county near Carrollton, July 12th, 1883. She united with the Grace Presbyterian Church in Kansas City about ten years ago. She was employed by the Acme Mattress Co. in Kansas City as forelady and bookkeeper for twelve years and in a letter of sympathy to the family from that firm they stated that she was one of their most trusted employees.

She leaves parents, sisters and brothers and a host of friends to mourn their loss. Her funeral services were conducted by Rev. L. Pean of Lexington in M. E. Church, Sunday morning. Tender and loving hands placed snow white flowers and white ribbon in the church. The casket was covered with exquisite and lovely floral offerings from devoted relatives and dear friends. And with soulful music and peaceful eulogies of the pastor sweet Dorothy was laid to rest in the beautiful cemetery of Grand Pass.

Her parents are bereft of a devoted daughter and none but a mother can know the depth of the sadness of her broken hearted mother. Hers and the devotion and tender care of sisters and brothers during those long months of suffering was unsurpassed. Every attendance to her was prompted by loving hearts. In a letter from her mother, Rev. Arnold of Presbyterian Church, Kansas City, to her mother was the following: "I deeply regret this sorrow, Miss Dorothy was a 'Jewel in our church', a glorious worker in all God's works, especially in the Sunday School and Endeavor and all that would enable humanity to be lifted up. She was especially active in League work and was a leader with all our young people in God's cause. Her heart was always touched with pity for the poor and many dollars of her money she gave to charity. We know she is in Heaven and was worthy."

Since last fall she had been a constant sufferer of rheumatism and a complication of diseases. The family had the best of medical aid in Kansas City, Marshall and our home physician who did all they could for the sufferer. She bore it all with a patient and christian forbearance beyond compare. Her true condition was kept from her by the family, they loved her too dearly to tell her. Human aid could not avail, so in the beautiful spring time when all nature is lovely and bright God said, "It is enough, Dorothy, come up high!"

Her life was one of sacrifice, usefulness and love. She was so devoted to her aged mother and was ever ready to do for all the family in her Christlike way. Her suffering was so intense all the past months she could not have made any preparation for the other world. But thanks be to her God her christian life during many years was a passport which made her worthy of her Home in Heaven that God has for all His faithful ones.

Yes, Dorothy is on the "Golden Shore". She has gone up higher, and she stands and as her spirit looks down on those she has left here she is beckoning to them and saying, "Parents, sisters, brothers, loved ones, come this way, all is bright up here, no goodbyes in Heaven."

Often when youth is called to close this early pilgrimage the question is why? Why fondest hopes are shattered, and from the alliance of the Lord there comes no answer. But in God's word it is answered, in thy fathers' house are many mansions, and why not for youth as for the aged. Don't God want the brightest flowers, and most brilliant gems up there? And perhaps those he calls early could not as the years go by be enabled to endure the battles and vicissitudes of life as those who are left here who have passed their allotted time. God knows best. Yes there is a Higher Power. And God grant all may realize, as it is too late. There are many joys and beautiful pleasures in this world, but there are sorrow, disappointments, trials as well,

and it is worth our while to give our hearts to God, do this well and work as best we can, make our peace with him so that some day when life is ended here for us we can go up there where it is all bright, glorious and brilliant, in the beautiful realm above with loved ones.

CHRISTIAN CHURCH
IS RE-DEDICATED
A Structure of Which Marshall Feels Proud.

The best evidence of a church's sincerity and zeal is the way its members contribute of their means and the fact that the Marshall Christian church subscribed about \$28,000 for rebuilding their church, the past year tells more than a column of explanations. It shows the people are in earnest and also indicates their ability to give largely.

Sunday was an ideal day for the dedication and the large numbers who attended the services were a happy enthusiastic crowd.

Rev. Geo. L. Snively, evangelist, had charge of the dedication. At 9:15 a.m. over 500 pupils were present in the Sunday school. At 10:45 Rev. Snively spoke on "The Fundamentals of Our Faith." At this service an offering of over \$13,000 was taken. It will be remembered that about \$14,000 was raised about a year ago when the improvements were contemplated.

At the Sunday afternoon service the offering was increased to \$13,800.

At 3 p.m. Sunday the various pastors of the city made short congratulatory talks, followed by communion.

The evening service was a union meeting of all the Marshall churches and like the other services was largely attended. The service was dedicatory, J. A. Walker, as a representative of the building committee, turning over the keys to the trustees.

All the programs were interesting and enjoyable. Miss L. L. Kreiser of Kansas City, halcyon of the music and Frank Utz presided at the organ. It would be too lengthy to mention the various parts, although many were worthy of special mention.

This church was organized in the court house in 1875. The building which is now remodeled was erected in 1895 at a cost of \$2,700 and the remodeling cost \$22,500. The pastor, Elder B. T. Wharton, has served the congregation about sixteen years. He is able, earnest and zealous in the Master's work and very much beloved by his people as well as by our citizens generally. The magnificent building reflects greatly to his credit.

As remodeled, the edifice is one of the handsomest and best equipped in this part of the state. The main auditorium has a seating capacity of 1,100. The choir loft will seat about 60. There are altogether over twenty rooms for Sunday School purposes, most of which can be thrown open to form part of the main Sunday School room in the basement. The kitchen, ladies' rest room and pastor's study besides many other rooms make the place inviting.

A surplus of \$5,700 was subscribed and it was announced that this would probably be used to equip a reading room, gymnasium and bath room in the basement where the young men and boys of the city could resort to at any time, since we have no Y. M. C. A. here.

Every one of the 559 members of this church has been working hard to the goal reached Sunday and all were in the best of spirits. That the good work has only begun is the hope of all.

The church is officered as follows: Dr. M. T. Chastain, Geo. L. Mason, W. N. Wilson, B. T. Wharton, elders R. E. Holloway, J. M. Sphar, W. H. Colvert, H. S.

Colvert, J. C. Speck, J. A. Walker, W. C. Garlon, W. G. Rea, R. W. McMahan, J. H. Fisher, R. M. Dunn, Lenton Yeager and T. A. Naylor, deacons J. A. Gordon, J. T. Conway and W. H. Colvert, trustees. J. A. Gordon, Supt. Sunday School.

Church Notes

The members of the First Presbyterian Church are delighted to learn that Rev. Henry Austin, of Weatherford, Texas, who was tendered a unanimous call recently, has accepted the call and will enter upon his work here the first Sunday in July. He impressed the people here very favorably and comes highly recommended.

J. S. M. Huff's Sunday School class of young ladies has purchased a fine piano for the Baptist Sunday school. It is a Hallet & Davis bought of the Allen Piano Co. of this city. Messrs. Huff and Allen assisted materially in the deal.

The Episcopal church had no services Sunday as Rector Bohn is at Exce'sior Springs for his health.

Rev. Wolf will preach at Mt. Horeb next Sunday at 3:30 p.m.

Sunday morning the people of the First Baptist Church will listen to a Persian by the name of F. Hosana describe his land and its customs. He is a student in this country and will return to his native land as a medical missionary. At night the pastor will take for his text, "The Pentecostal Revival" and special songs will be sung.

Dr. W. H. Black went to Louisville, Ky., Tuesday to attend the Presbyterian General Assembly.

Bad Runaway.

Austin Stephenson, who resides on the Mrs. Riggins farm near Hernon, had a rough experience last Friday. A team of mules plowing behind him, in charge of his nephew, ran away and into his team. He was thrown in front of his horses and they stepped on his leg and hip and his plow struck him in his face, making a deep and ugly cut from his nose to his ear. He said he warded off one of the plows as it came towards him. Dr. J. D. Jackson was called and attended to his injuries, and he is able to be out again.

Shot His Brother.

Following a dispute at 6:30 o'clock last night as to the amount of money he should pay his mother for board, Frank Lancaster, 18 years old, who lived with her and with his two half brothers at 53 McClure flats, fired one shot into the air as one of the halfbrothers, Louis Mathews, 49 years old, ap-

proached him. Lancaster then fired four shots into the body of the advancing man with a revolver he had purchased a half hour before. Mathews died a few minutes later after being carried into the house. Lancaster was arrested and taken to the Walnut street police station.

Mrs. Lancaster, or Mrs. Joplin, by which name she is known, has been married three times and has had a son by each marriage—Louis Mathews, 40 years old, who was killed; Robert Joplin, 23 years old, by her second marriage, and Frank, 18 years old, by the third and last marriage. The mother and sons came to Kansas City twelve years ago from Blackburn, Mo.

There always has been considerable trouble between the oldest and youngest boys, and Frank, who a year ago was sentenced to six months in the county jail by Judge Latshaw on a charge of carrying concealed weapons, spent most of his time away from home.—Sunday's Kansas City Journal.
